MD. IFTEKHARALI J. ANSARI

Web Developer

Ahmedabad | +91 94088 96800 | iftekhar0six@gmail.com
linkedin.com/in/iftekharansari | github.com/iftekhar0six

PROFILE

Versatile Web Developer with experience in Node.js, Express.js, React.js, and REST API integrations. Worked with both SQL (PostgreSQL, MySQL) and NoSQL (MongoDB) databases. Skilled in unit testing using Jest with ~80% positive coverage. Experienced with Express js, Swagger UI, Postman, and Trello. Focused on building reliable, scalable API-driven applications.

SKILLS

- JavaScript
- Nodejs & Reactjs
- Prisma ORM
- Trello
- MongoDb
- Postgress SQL
- Google Firebase
- Gitlab
- Version Control (Git)
- REST API
- Github
- BitBucket

PROFESSIONAL EXPERIENCE

AIPTEK - Jr. Software Developer *Jun, 2025 - Sep, 2025*

Farmkart (E-commerce Platform for Agriculture Products, Monolithic)

- Developed the monolithic backend, e-commerce website, and admin panel (Nodejs + Reactjs)
- Implemented Excel-based inventory and master data import/export, improving admin efficiency and reducing manual errors.
- Built admin-controlled product and order management features, streamlining operations.
- Designed scalable PostgreSQL databases with Prisma ORM to ensure performance and data integrity.
- Delivered production-ready systems, strengthening expertise in backend optimization and fullstack development.

StepX Technologies - Jr. Software Developer *Jan, 2025 - Jun, 2025*

Triumph (Motorcycle Company – Internal Management System, Microservices)

- Developed and maintained microservices modules for finance, expenses, vendors, sales, audit, collections, and system health monitoring.
- Built backend services using Nodejs, PostgreSQL, Prisma ORM, and contributed to Reactjs frontend components.
- Ensured modularity, scalability, and maintainability of the system.
- Delivered production-ready microservices, gaining hands-on experience in microservices architecture and system optimization.

Crest Infotech - Nodejs Trainee *May, 2024 - Dec, 2024*

- Developed RESTful APIs with JWT authentication, OTP verification, and email notifications using Nodejs, Express, and MongoDB.
- Built an admin panel with EJS and implemented API integration while ensuring reliability using Postman, Swagger UI, and Express Validator.
- Collaborated using Git/GitHub, gaining hands-on experience in backend development and fullstack workflows.

EDUCATION

B.E. – Information Technology, Shantilal Shah Engineering College (GTU)
Bhavnagar, Gujarat | 2020 – 2024

H.S.C. – Group A (Maths), Dr. Nakadar Institute of Knowledge
Mehsana, Gujarat | 2019 – 2020
